***OLMSTEAD'S 10<sup>TH</sup> ANNIVERSARY!***

*Make sure freedom prevails!*

June 22 is the 10<sup>th</sup> anniversary of the Supreme Court's Olmstead decision stating that the Americans with Disabilities Act guarantees the right to services for people with disabilities in the most-integrated, least-restrictive setting.

Celebrate Olmstead with other disability advocates and *speak out* to ensure that people with disabilities maintain the right to live in the community. *Institutions may be kept open! Community First was cut! Home care services are being cut! Housing programs are threatened!* Let's stamp out, once and for all, the brutal legacies of segregation and institutionalization.

**MONDAY, JUNE 22, NOON – 1:30PM**  
**NURSES HALL AT THE STATE HOUSE**

*Independence for people with disabilities is on the line!*
