

# WRAPAROUND IS HERE!

Wraparound Care planning is now available for children & youth with complex behavioral health needs who have MassHealth Standard and CommonHealth. This new offering will be provided by a network of local agencies called Community Service Agencies (CSAs)

- ◇ **WRAPAROUND HELPS:** Wraparound is based on the youth's and family's strengths, and develops a team to help the youth and family reach their goals, no matter how tough things become
- ◇ **WRAPAROUND INCLUDES:** Wraparound builds families who are the foundations of our communities and draws on the strengths of many helpers in the community: doctors, educators, therapists, family members, faith communities, neighborhood and community organizations
- ◇ **LEARN MORE ABOUT WRAPAROUND:** If you're interested in learning about how Wraparound can help children and families who have MassHealth in your region, come join us for a public presentation by a national expert Michele Stewart-Copes, MSW.
